

Affordable High Performance Printing for Workgroups

Aficio™ SP 4100N/SP 4110N

High Performance Competitive Cost

If you are looking for high quality black and white laser printing, then take a good look at the Aficio™SP 4100N and SP 4110N. Whatever your printing needs, these workhorses can handle them fast. Every month, they can print up to 100,000 and 150,000 pages respectively at speeds of up to 31 and 36 pages per minute. Equipped with a 400 MHz PCU controller, both models can easily handle your demanding workload. The Aficio™SP 4100N and SP 4110N are productive network printers that offer dependability, superior paper handling and a low cost of ownership. They are ideal for small companies and workgroups at larger companies.

Speed, dependability, competitive cost

- Aficio™SP 4100N: 31 pages per minute – up to 100,000 pages per month
- Aficio™SP 4110N: 36 pages per minute – up to 150,000 pages per month
- Low Total Cost of Ownership (TCO)

Quality and Innovation

Every year, Ricoh invests in research & development, keeping us at the forefront of innovation. Few corporations have ever won the esteemed Deming Award for Quality Control. Ricoh is the only office equipment manufacturer that has won twice. We strive for quality in everything we do. This is evident in products like the Aficio™SP 4100N and SP 4110N. Their clean and quiet operation contributes to a safe and comfortable work environment while their low power consumption and toxic free materials contribute to a safe environment at large.

Value from a Trusted Name

The Aficio™SP 4100N and SP 4110N were designed with customer value in mind. Both models offer features you would typically expect from a high end device for only a fraction of the price. Long life cartridges contribute to low maintenance costs. With the energy saver mode, it is easy to minimise power consumption to less than 6.5 W. This further reduces the Total Cost of Ownership. Moreover, Ricoh printers are built to last. As a leading global manufacturer of office solutions, Ricoh guarantees the excellent quality of its Aficio™ products while offering you the benefits of the most extensive service network in the industry.

- High value features
- Competitive purchase price
- Long lasting consumables

Ease of Use

The Aficio™SP 4100N and SP 4110N are easy to use and maintain. Once an option is installed, the printer driver detects it automatically. The remote monitoring function continuously shows the machine status on all user desktops. For easy operation, Ricoh has developed a printer driver with a unique one click printing interface, also known as RPCS™. Customer-specific settings can be saved under dedicated icons. You only need to select your settings once. For example, you can save special settings for invoices under a dedicated icon. When you print invoices, simply click the icon and the SP 4100N/SP 4110N will automatically select the proper paper tray and settings for the exact output you need.

- Easy to use
- Unique one click printing
- Custom paper settings

Superior Media and Envelope Handling

The Aficio™SP 4100N and SP 4110N can print on a wide range of media. The standard and optional trays handle various sizes up to A4 with weights up to 130 g/m². With the bypass tray, you can print on media up to 162 g/m². Thanks to an intelligent paper pass, all printing is fast and dependable. A dedicated envelope mode enables envelope printing. Automatic double-sided printing is available as an option.

- Wide range of media types
- Intelligent paper pass
- Dedicated envelope mode
